Subject: Reclamation Surety Required, Holcim (US) Inc., Poverty Point Quarry, M/045/012, Task ID# 1550, Tooele County, Utah

Dear Mr. Newman:

The Division has completed a review of your revised reclamation cost estimate that was submitted (via e-mail) on April 17, 2007. The Division finds the estimate of \$151,800 an acceptable estimate of the cost to perform the reclamation work as outlined in the Notice of Intent for the Poverty Point Quarry. The Division currently holds a surety bond of \$47,400 from Traveler's Casualty (policy # 065S103640530 BCM). At this time, we ask that you provide additional surety in the amount of \$104,400, for a total surety of \$151,800.

Please contact the Division's bond coordinator, Jed Pearson, ((801) 538-5382 or email: bondcoordinator@utah.gov), to obtain the proper forms for increasing the surety amount and amending the reclamation contract.

If you have any questions please contact me at (801) 538-5258 or Lynn Kunzler 538-5310, of the Minerals Staff. Thank you for your cooperation in completing this permitting action. In response, please refer to file number M/045/012.

Sincerely,

Susan M. White
Mining Program Coordinator
Minerals Regulatory Program
